Order

No. HD.21-72/70-A

Read:—Letter No. 3-T(55)/68 dated 27-7-1968 from the Ministry of Transport & Shipping (Transport Wing) New Delhi.

With a view to implementing the recommendations of the Road Transport Taxation Enquiry Committee reached at the seventh meeting of the Transport Development Council held at Mysore on the 24th and 25th June, 1968 to abolish multi-

plicity of check-posts and consolidate them under a single organisation, Government is pleased to direct as under:—

a) *Colem*: The Police out-post and the Excise check-post are at present functioning in different Government buildings. The Police out-post should function from the Excise building. The other building should be utilised for residential purpose. Both Police out-post and Excise check-post should have a common register.

b) *Molem*: A common check-post of all the three departments (i.e. the Police, the Excise and the Forest) should function in the building of police out-post. The other buildings should be utilised for residential purposes. The Police out-post and the Excise check-post should have a common register. Separate register should be maintained for forest produce.

c) *Polem*: Status quo of both the Excise check-post and the Police out-post functioning in the same building should be maintained. Common register should be maintained.

d) *Dodamdrig*: The Police, Excise and Forest posts should function in the building where at present there is the Excise check-post. The other buildings should be utilised for residential purposes. Police out-post and the Excise check-post should have a common register. Separate register should be maintained for forest produce.

e) *Patra Devi*: Forest and Excise posts should be combined to function in only one building of Excise check-post.

Inspector-General of Police, Panaji, should examine whether Mandrem Police out-post can be moved to Patra Devi or an out-post can be opened for Patra Devi. Separate register should be maintained for forest produce.

f) *Dabel*: In Dabel the Police out-post and Excise check-post are functioning from the same building. They should also have a common register.

g) *Bamanpuja, Daman*: The Police out-post and Excise check-post are functioning from the same building. They should also have a common register.

h) *Banselor, Calicachigao & Nanivakand, Daman*: There is no corresponding Police out-post for these 3 Excise check-posts and therefore status quo should be maintained.

The Inspector-General of Police, Panaji, should, however, examine whether a Police out-post should be opened at Banselor or at a convenient nearby place.

i) *Gogola, Diu*: Both the Excise and the Police out-posts share the same building. They should now have a common register.

j) *Passo Seco, Diu*: There is no corresponding Police out-post. However, the Inspector-General of Police, Panaji may explore the possibility of shifting the Buchiwada Police out-post to Passo Seco.

k) *Banastarim*: The Police and the Forest check-posts should function from the forest building.

At present there is a guard for the bridge on the river. The Inspector-General of Police, Panaji should explore whether a regular out-post can be established there or if Mardol out-post can be shifted to Banastarim. Separate register should be maintained for forest produce.

l) Conservator of Forest should examine whether forest check-post of Bali can be transferred to Cuncolim.

m) The forest check-posts at Duler, Borim, Kiranpaniana, Kirlapal, Collem, Margao, Nagorcem and Naibag should continue separately as they are scattered and check individual roads which have access to certain forest areas.

n) The Police Department and the Forest Department should have common check posts at Ponda, Sanquelim and Usgao. These may be located where the Forest check-post exist presently. Separate register should be maintained for forest produce at these places.

2. After six months, the position shall be reviewed. During this period the staff of each department should familiarise itself with the check done by others, so that multipurpose staff could be posted later on.

3. Although there may be common check-posts for the Police, Excise and Forest Departments, arithmetical staff representing each of these departments should work at the common check-post for the present. The question of reducing this staff after some time, when the persons posted at these check-posts get acquainted with the working of the other departments, should be considered at a later date after gaining experience in the matter.

4. Since it is the idea to have common check-posts vacancies of forest guards, if any, should not be filled in. So also, no buildings should be taken on rent at the places of check-posts for the present.

By order and in the name of the Administrator of Goa, Daman and Diu.

S. N. Dhumak, Under Secretary (Home).

Panaji, 29th January, 1971.
